

Declaration Under 37 C.F.R. 1.132

Commissioner for Patents  
P.O. Box 1450  
Alexandria VA 22313-1450

Sir:

1. We, Paul Lapstun and Kia Silverbrook are coinventors of and are familiar with the present U.S. patent application Serial No. 09/721,862 filed on November 25, 2000 in the name of Paul Lapstun and Kia Silverbrook and entitled "Coded Surface with Function Flags," and we are familiar with the Official Action dated November 2, 2004, issued therein.

2. The present application as filed incorporated by reference U.S. patent application Serial No. 09/575,195, filed 23 May 2000. That application disclosed additional details concerning substantially the same netpage printers that are disclosed in the present application.

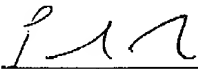

3. In particular, application Serial No. 09/575,195, on page 27, lines 13-14, disclosed that: *"This printer simultaneously prints cyan, magenta, yellow, black, and infrared inks as well as paper conditioner and ink fixative."*

4. The above sentence concerning simultaneous printing has been copied verbatim into the present application as amendatory material.

5. The amendatory material consists of the same material incorporated by reference in the referencing application.

6. We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

  
Paul Lapstun

  
Kia Silverbrook
